### Reiki

Reiki means Universal Life Energy. Many cultures dating back to ancient times have had the wisdom and the knowledge that an unseen energy flows through all living things, and is directly related to the quality of health in life. Reiki addresses body, mind and spirit accelerating one's ability to heal one's self. Reiki, as taught by its rediscoverer Dr. Usui, has a simple set of procedures to follow, which were passed down to each of the Reiki Masters who followed his teachings.

Reiki is easy to learn and is simple, effective and safe. Reiki allows anyone to contact this unlimited energy and transmit it through the hands, to themselves and others, creating the space for improved health and enhanced quality of life.
